Summer Reading

Rising fifth graders are encouraged to read as much as they can over the summer. To prepare for fifth grade, please read at least 1 novel of your choice. Fifth graders should bring the novel to school on the first day and be prepared to write a book report in class.

We will read the following novels in fifth grade. Miss Amanda has many of these in her classroom, so you may want to check availability before purchasing your own copy. Please do not use these novels for your summer reading!!

Sounder by William Armstrong

Holes by Louis Sachar

Number the stars by Lois Lowry

Out of the dust by Karen Hesse

*Please have your dividers labeled and put in your binder on the first day of school. These are the subjects/labels you will need. Please keep them in the order in which they appear.
