Pencil topper erasers

Hole reinforcements

Colored pencils and sharpener

Small bottle of glue

Scissors

1 box of tissues

1 carton of disinfecting wipes

1 roll of paper towels

1 bottle of hand sanitizer

### Summer Reading

Rising fifth graders are encouraged to read as much as they can over the summer. The assigned book to be read during the summer is *Bridge to Terabithia*. Be prepared to be tested on this book when school begins. I have a copy for everyone to check out. Please don't buy a copy. They are in the office for all to check out at your convenience.

We will read the following novels this year in fifth grade. I have many copies of these in my classroom, so check with me before you purchase one.

*A Week in the Woods* by Andrew Clements

*Hatchet* by Gary Paulsen

*Holes* by Louis Sachar

\*Please have your dividers labeled and put in your binder on the first day of school. These are the subjects/labels you will need. Please keep them in order in which they appear because there will be routine binders checks.

Daily Language Practice (or DLP for short)
