

Alyn Scholarship Fund, Inc.

"Alyning School, Tax and Scholarship Choice"

In 2015, ASF awarded nearly \$50,000 in scholarships.

- *Do you pay Georgia state income tax?*
- *Would you like to control how a portion of your tax dollars are used?*
- *Do you want to keep more of your tax dollars at home in Jefferson County?*

If you answered "yes" to any of these questions, we urge you to strongly consider participating in Georgia's Education Tax Credit program. Through this program, Georgia taxpayers are able to pre-pay and donate a portion of their state tax liability to fund student scholarships at accredited Georgia private schools.

There is ultimately no cost to donate.

Taxpayers are simply redirecting some of the money they're required to pay in taxes and, in turn, receive a dollar-for-dollar state tax credit for the amount donated.

You win as a taxpayer, local students win, and Thomas Jefferson Academy wins!

To Donate:

1. Go to AlynFund.org before Dec. 31st & complete a donation request form through the Paperless Donation Process.
2. In January, the Alyn Scholarship Fund will submit your donor request to the GA Dept. of Revenue for approval.
3. Make your approved donation to the Alyn Scholarship Fund in either February or March.

Maximum Donation Amounts

Individual (unwed) - \$1,000

Married Couple - \$2,500

Each Owner of a Pass-through (LLC, S-Corp, etc) - \$10,000

C-Corp or Trust - 75% of state tax liability
