Big Money Raffle:

If you have not participated in the Big Money Raffle here is a brief overview of how it works. All the tickets will be put into a pot and drawn in batches of 25. Three money prizes will be awarded. The first prize given is \$1000, the second prize is \$1000, and the last ticket drawn will win \$3000. Once again we will be offering a **BUY BACK option**. The buyer of each ticket will have an opportunity to re-enter the drawing at the cost of \$25 per ticket. This is a ONE-TIME opportunity and must be done during the time allotted. Each re-entered ticket will be marked to indicate that it has already been re-entered. The only restrictions on re-entry are that it must be done immediately and \$25 must be paid at the time of re-entry, ONE time per ticket. The \$25 must be paid by check or cash. You do not have to be present to win.

You will also have the opportunity to bid and purchase items that will be in our silent and live auction. We will have a wide variety of items from fire pits, Disney tickets, to TJA Class items.
