

Spanish I: Summer 2023

In order to prepare for your upcoming Spanish I class, you will need to learn the vocabulary for the preliminary chapter and chapter (etapa) 1.1, which will be covered on a test during the first full week of classes August 21-25. You will also need to know the Spanish alphabet in order to spell a word correctly using the letters called out in Spanish, so learn by using one of the links below.

- You can find Quizlet flashcards on the full set of vocabulary for the preliminary chapter (Etapa Preliminar) here:
