

Dear Parents,

Reading is a very important part of your child's education. Your child will be required to read one book over the summer. I hope you read lots of book with your child but this one book is the only one required. I have selected *There Is A Bird On Your Head!* By Mo Willems for their summer reading book. I encourage you to let your child read this book several times with you before answering the questions. The questions are attached.

There is also some extra work attached. This work is voluntary.

Please return any work completed on the first day of school.

Have a great summer!!

Thanks,

Miss Ashlie McClellan
